

ALI ZINDARI

Latent CV

I call this a **"Latent CV"**, a compilation of all my rejections from universities, institutes, and companies. I began this list with the **toughest** failure of my life, which occurred during high school while I was preparing for the Physics Olympiad.

REJECTIONS AND FAILURES

- Failed to pass the second round of Iran Physics Olympiad. **TOUGHEST** 2016
- Rejected from the best engineering university in Iran (Sharif). 2017
- Rejected from studying electrical engineering at IUT. 2017
- Rejected from studying mechanical engineering at IUT. 2017
- Rejected from studying computer engineering at IUT (I changed my major to CE afterwards). 2017
- Rejected from ITRI summer internship program. 2018
- Rejected from ITRI summer internship program. 2019
- Rejected from Max Planck SWS summer internship program. 2019
- Rejected from MILA summer internship program. 2019
- Rejected from McGill summer internship program. 2019
- Rejected from Max Planck SWS summer internship program. 2020
- Rejected from McGill summer internship program. 2020
- Rejected from Aalto summer internship program. 2021
- Rejected from Oxford summer school. 2021
- Rejected from Oxford summer school. 2022
- Rejected from MIT CSAIL lab for internship. (passed the qualifications, rejected because wasn't in USA) 2022
- Rejected from Aalto summer internship program. 2022
- Rejected from university of Edinburgh internship program. 2022
- Rejected from UMASS for the PhD program in CS. 2022
- Rejected from USC for the PhD program in CS. 2022
- Rejected from Michigan State university for the PhD program in CS. 2022
- Rejected from Brown university for the PhD program in CS. 2022
- Rejected from Rice university for the PhD program in CS. 2022
- Rejected from SFU for the M.Sc. program in CS. 2022
- Rejected from university of Alberta for the M.Sc. program in CS. 2022
- Rejected from Carleton university for the M.Sc. program in CS. 2022
- Rejected from UBC for the M.Sc. program in CS. 2022
- Rejected from Saarland university for the M.Sc. program in DSAI (I got accepted for math & cs here). 2022
